Re: Services Agreement

Dear Mr. Ray:

This services agreement (together with all exhibits, schedules, appendices and annexes hereto, this "**Agreement**"), dated as of the date hereof and effective as of the date the United States Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**") approves FTX Trading Ltd.'s (the "**Client**") entry into this Agreement (the "**Approval Order**" and the date on which the Approval Order is entered by the Bankruptcy Court, the "**Effective Date**"), confirms the terms under which the Client in Chapter 11 cases jointly administered under Case No. 22-11068 (JTD) (the "**Chapter 11 Cases**") in Bankruptcy Court has engaged Galaxy Digital Capital Management LP (the "**Investment Manager**" or "**Galaxy**" and, together with the Client, the "**Parties**") to provide investment manager services with respect to certain Assets deemed to constitute an account (the "**Account**") of the Client; provided that any beneficiary of, or parties subsequently joined to, this Agreement, as contemplated by Section 16(i), shall be entitled to the rights afforded to the Client. "Services" as used in this Agreement shall refer to any and all services to be performed by the Investment Manager hereunder.

1. **Appointment of Investment Manager.** As of the Effective Date and on the terms and subject to the conditions set forth herein, the Client hereby appoints the Investment Manager as investment manager of the Account for the purposes described herein; provided that the Investment Manager shall not be obligated to provide any of the Services contemplated hereunder, and the Client shall not be bound by any provision hereunder, until the Bankruptcy Court has (i) entered the Approval Order and (ii) entered the Monetization Order (as defined below), each in accordance with Section 11 hereof.
2. **Designation of Digital Assets.** Digital assets shall be designated as follows.
 - (a) Excluded Assets. The "**Excluded Assets**" are the digital assets designated as such in writing by Client to Investment Manager from time to time.
 - (b) Hedging Assets. The "**Hedging Assets**" are Bitcoin (BTC) and Ether (ETH).
 - (c) Liquidation Assets. The "**Liquidation Assets**" are all digital assets that are not Excluded Assets or Hedging Assets.
 - (d) Assets. The term "**Assets**" shall refer to the Hedging Assets and Liquidation Assets and shall not include the Excluded Assets.

- (e) Re-designation. The Parties may agree in writing to re-designate any particular digital asset as an Excluded Asset, a Hedging Asset or a Liquidation Asset. The Client shall be solely responsible for ensuring that, at all times, the designation of Hedging Assets and Liquidation Assets is in compliance with any applicable requirements under any order entered by the Bankruptcy Court.

3. **Investment Program.**

- (a) Mandate. The Investment Manager shall have the mandate to liquidate the Liquidation Assets into fiat currency or stablecoins and hedge exposure to the Hedging Assets, in each case in a manner agreed to by the Client and the Investment Manager in Section 2 and Section 3 of the certain August 23, 2023 draft of Token Monetization Term Sheet, which may be amended or supplemented from time to time by written agreement of the Parties (the “**Investment Program**”). In the event any term of the aforementioned Token Monetization Term Sheet conflicts with any express term of this Agreement, the terms and provisions of this Agreement shall control to the extent of such conflict. For the avoidance of doubt, the Investment Program shall terminate upon the termination of this Agreement pursuant to its terms.
- (b) No Appointment for Excluded Assets. The Investment Manager shall have no responsibility or authority pursuant to this Agreement with respect to the Excluded Assets, other than the limited responsibility contemplated in Section 4(c)(ii), which, for the avoidance of doubt, does not constitute discretionary authority or result in Investment Manager owing fiduciary duties to Client in relation to the Excluded Assets.
- (c) Discretion and Fiduciary Duties. Investment Manager shall have discretionary authority under such appointment, subject to the Approval Order (as defined herein) and the Monetization Order and the supervision of the Board of Directors of the Client and its affiliate debtors and debtors-in-possession (the “**Board**”) and their legal and financial representatives (the “**Representatives**”) through the meetings and reporting contemplated under Section 4(f) of this Agreement, to manage the Investment Program of the Assets, with such discretion to be exercised at all times and in all circumstances in accordance with the Investment Manager’s duties to the Client and any order entered by the Bankruptcy Court approving Client’s entry into this Agreement, and the Investment Manager’s acceptance of such appointment. In the course of providing the services contemplated by this Agreement, the Investment Manager shall discharge its fiduciary duties owed to the Client, including the duties: (1) to act in good faith and in the best interest of the Client (it being understood that Investment Manager has similar duties to other advisory clients, which duties may conflict with the duties owed to Client); (2) of loyalty to the Client; (3) to provide full and fair disclosure to the Client of all material facts; (4) to employ reasonable care to avoid misleading the Client, avoid or disclose material conflicts of interest; and to act in a manner agreed to between Investment Manager and the Client, and to exercise each of its powers under this Agreement consistent with the care, skill and diligence applied by the Investment Manager in

its capacity as a registered investment advisor to third party investment funds and other clients.

- (d) Sub-Advisors. Unless otherwise contemplated by this Agreement, Investment Manager may not delegate or assign any of its investment advisory functions or responsibilities under this Agreement to any third party without the prior written consent of the Client; provided that any engagement of a service provider to perform any functions or responsibilities referenced in this Section 3(d) shall be on arms-length terms.
- (e) Power of Attorney.
 - (i) Investment Manager shall be authorized to provide Services on behalf of any Client Beneficiary (defined below) only after such Client Beneficiary has (A) become a party to this Agreement, as required under Section 16(i) and (B) appointed Investment Manager with full power of substitution, as the Client Beneficiary's true and lawful attorney-in-fact to carry out its responsibilities under this Agreement, including, but not limited to, the authority to take the actions set forth in clauses (A)-(D) in Section 3(e)(ii), as required under Section 10(b)(ix).
 - (ii) The Client hereby appoints the Investment Manager, with full power of substitution, as the Client's true and lawful attorney-in-fact to carry out its responsibilities under this Agreement, the authority to (A) execute hedges with respect to the Hedging Assets held in the Account, (B) buy, sell, exchange, convert, swap, stake, redeem and otherwise trade in any digital assets which constitute or will constitute all or any portion of the Account, provided that Investment Manager will be authorized to buy assets only in connection with hedging activities to be performed by Investment Manager under this Agreement (C) give instructions to the Custodian with respect to such transactions; and (D) enter into agreements or transactions to effect the foregoing.

4. Management Services to be Performed; Duties and Restrictions on Investment Manager.

- (a) Management of Assets. In executing its responsibilities under the Investment Program, the Investment Manager shall also have the authority and responsibility, under the supervision of the Board or its Representatives, to:
 - (i) cause the Account to buy, sell, swap, redeem, manage, stake, hold, exchange, convert and otherwise trade in any and all financial instruments (including, without limitation, digital assets, swaps, futures contracts, commodities and forward contracts and derivatives) (the "**Transactions**") as the Investment Manager may select, including engaging to the extent necessary and prudent (in the judgment of the Investment Manager) with

respect to such financial instruments, utilizing such financial instruments in accordance with the express objectives of the Board;

- (ii) provide advice to the Board and its Representatives with respect to the Account, including recommendations concerning, and identification of, Assets;
- (iii) monitor the Assets held in the Account;
- (iv) determine from time-to-time which Liquidation Assets should be retained or sold, what contracts should be entered into by the Account, and perform any research or diligence related thereto as appropriate;
- (v) subject to the limitations set forth in this Agreement, exercise all rights, powers, privileges and other incidents of ownership or possession with respect to the Assets held in the Account;
- (vi) supervise the preparation and review of all documents required to complete any investment by the Account;
- (vii) act on behalf of the Account in all matters necessary or incidental to the management of the Assets held in the Account; and
- (viii) provide strategic and financial planning to the Client and its Representatives, including advice on utilization of any Assets held in the Account.

(b) Provision of General Services by the Investment Manager to the Account. The Investment Manager may, to the extent requested by the Board or its Representatives, provide support services to the Account, including certain administrative, accounting, client services and any other appropriate services, as contemplated by this Agreement and in accordance with the express written instructions and policies of the Client. Subject to the terms and conditions of this Agreement, the Investment Manager shall perform and render support services to the Account, including, without limitation, the following:

- (i) Subject to the requirements of Section 4(d), to the extent advisable or requested by the Client or its Representatives, select brokers, dealers, banks, counterparties and other intermediaries, including affiliates of the Investment Manager, by or through whom any transactions will be executed or carried out and open, maintain and close accounts with such entities on behalf of the Account;
- (ii) subject to Section 5(a), enter into and execute agreements, make payments and incur obligations on behalf of the Account in furtherance of the Investment Manager's duties hereunder; and
- (iii) provide general administrative and operational services to the Account.

(c) Other Responsibilities.

- (i) The Investment Manager shall be responsible for decisions to (A) select trading intermediaries or counterparties and (B) for negotiation of commission rates or other compensation for trading intermediaries or counterparties, subject to the requirements of Section 4(d). The Investment Manager shall also, at the request of the Client, provide testimony as required in connection with the Bankruptcy Court's review of the Approval Order and Monetization Order. The Investment Manager's primary consideration in effecting a transaction or series of transactions (directly or through a trading intermediary) for the Account will be Best Execution (as defined below).
- (ii) The Investment Manager shall provide the Client with general market commentary as the Investment Manager deems appropriate, which may include market commentary on the Excluded Assets.
- (iii) For purposes of this Agreement, "**Best Execution**" shall mean Investment Manager's obligation to seek and obtain the most favorable terms reasonably available for executing a Transaction on behalf of the Client or for the Client's Account, taking into consideration a variety of factors, including: (A) the best price available, net of fees and commissions; (B) the reliability, integrity, regulatory compliance and financial condition of the trading intermediary or counterparty (including the use of Galaxy Trading (as defined below)); (C) the size of, and difficulty, in executing the order with reference to a variety of factors (including price, costs, speed, likelihood of execution, settlement, size, liquidity, nature of the order, market volatility, impact to the overall market and any other relevant considerations); and (D) the value of the expected contribution of the trading intermediary or counterparty to the investment performance of the Client on a continuing basis. In fulfilling its duty of Best Execution, Investment Manager may, where appropriate, consider the potential market impact of showing the Transaction to multiple counterparties, aiming to achieve the most advantageous overall outcome for the Client while balancing the need for efficient execution and minimizing any potential adverse effects on market liquidity or price movements. The determination of Best Execution shall be made in good faith and in accordance with applicable laws, regulations and industry standards.

(d) Trading Partner Selection; Galaxy Parental Guaranty.

- (i) For each Transaction entered into on behalf of the Client other than transactions which the Investment Manager determines, consistent with its duties under this Agreement, to effect on an exchange providing for trading between counterparties that are anonymous to one another, the Investment Manager shall diligently select one or more potential brokers or counterparties (each a "**Trading Partner**") through the "**Trading**

Counterparty Selection Process". The Trading Counterparty Selection Process shall involve consideration of various factors, including, but not limited to, each Trading Partner's expertise, reputation, execution capabilities, access to liquidity, market presence, cost efficiency, and execution quality and reliability, with a focus on obtaining the most competitive quotes and execution terms by soliciting bids from multiple Trading Partners. Subject to Section 4(d)(ii), Investment Manager shall solicit quotes from two or more Trading Partners for any transaction, unless, despite Investment Manager's use of reasonable best efforts to solicit quotes from two or more Trading Partners (i.e. for the avoidance of doubt, meaning two or more counterparties and/or two or more brokers) for any transaction, only one quote is available.

- (ii) Notwithstanding the foregoing, the Client acknowledges that circumstances may arise where soliciting quotes from multiple Trading Partners might not be consistent with Best Execution. For example, soliciting quotes from multiple Trading Partners might risk signaling an imminent significant trade to the market that could potentially impact trade execution quality and cost, thus potentially prejudicing the Client's interests and undermining Best Execution. In the event that the Investment Manager determines, in its reasonable discretion and in good faith, and consistent with its duty of Best Execution, that it is in the best interest of the Client to limit the process of soliciting quotes from multiple Trading Partners under such circumstances, the Investment Manager may choose to select and execute Transactions through a single Trading Partner (which, for the avoidance of doubt, may include selecting Galaxy Digital Trading Cayman LLC, an affiliate of the Investment Manager ("**Galaxy Trading**"), and if through Galaxy Trading, then pursuant to the Cryptocurrency Purchase and Sale Agreement on terms to be agreed by Client and Investment Manager, each acting in good faith (it being understood that failing to agree to the Cryptocurrency Purchase and Sale Agreement shall have no effect on Investment Manager's obligation to seek Best Execution)).
- (iii) The selection of a single Trading Partner under the circumstances described in Section 4(d)(ii) shall be subject to the following conditions:
 - (A) The decision to choose a single Trading Partner shall be based on a thorough assessment of its advantages for the execution of Client's Transaction, consistent with Best Execution and Investment Manager's obligation to act in the best interest of the Client.
 - (B) The Investment Manager shall document the reasons and justification for selecting a single Trading Partner, which documentation shall detail the selection criteria, due diligence conducted and all communications related to the selection to provide transparency and accountability for the decision-making process and ensure that the selection is made in the best interest of the Client.

- (C) In the selection of Galaxy Trading, the Investment Manager is bound by its fiduciary duties (including duties of care and loyalty) and Best Execution obligation to the Client. The Investment Manager will only select a single Trading Partner if it reasonably believes that that doing so is in the best interest of the Client.
 - (iv) The Investment Manager shall regularly review and assess the Trading Counterparty Selection Process to ensure that it remains consistent with industry best practices and regulatory requirements. Any updates or changes to the selection process shall be communicated to the Client in accordance with the terms of this Agreement and applicable regulations.
 - (v) Consistent with applicable law, Client hereby authorizes the Investment Manager to enter into “agency cross transactions” effected by an affiliate of the Investment Manager (“**Galaxy Affiliate**”) acting as broker for both the Account and for the party on the other side of the transaction, in accordance with applicable law and subject to compliance with Investment Manager’s applicable conflicts policies and procedures. The Investment Manager shall only enter into such agency cross transactions if the Investment Manager reasonably believes that doing so is in the best interest of the Client. The Client understands and agrees that the Investment Manager or such Galaxy Affiliate may receive commissions from, and have a potentially conflicting division of loyalties and responsibilities regarding, both parties to such agency cross transactions. Investment Manager understands and agrees that the Client’s grant of authority to the Investment Manager to effect agency cross transactions for the Client is terminable at will without penalty, effective upon receipt by the Investment Manager of written notice from the Client.
 - (vi) The Investment Manager may only select Galaxy Trading or any of its affiliates (a “**Galaxy Trading Partner**”) as a Trading Partner for a Transaction if the obligations of the Galaxy Trading Partner in connection with such Transaction are guaranteed (the “**Galaxy Parental Guaranty**”) by Galaxy Digital Holdings LP (“**Guarantor**”), the ultimate parent of the Investment Manager (and Galaxy Trading and each of their affiliates). Guarantor has provided the Investment Manager with a guaranty in the form attached as Exhibit A hereto, which the Parties agree shall constitute an acceptable Galaxy Parental Guaranty for this purpose.
- (e) Information Barriers Restrictions.
- (i) *Commitment to Information Barriers:* The Investment Manager, along with its employees, agents, and representatives (collectively, the “**Investment Management Professionals**”), shall fully comply with the information barrier restrictions under its compliance policies and procedures as they may be amended from time to time (the “**Information Barrier Restrictions**”) and shall deliver to the Client copies of any subsequent

versions of such compliance policies and procedures as well as any amendments or updates to such compliance policies and procedures as soon as reasonably practicable. These Information Barrier Restrictions are in place to prevent any unauthorized use or disclosure of Confidential Information (as defined in Section 14 hereunder) received from the Client or its Representatives under this Agreement.

- (ii) *Implementation of Information Barrier Restrictions:* The Investment Management Professionals have implemented, and shall continue to implement, comprehensive physical, electronic, and procedural safeguards to protect the Confidential Information in a manner with consistent with industry best practices. These safeguards include, but are not limited to, the following:

- (D) **Internal and External Communications:** Investment Management Professionals shall adhere to communication restrictions during internal or external communications, which encompass text messages, emails, tweets, Instagram posts, Facebook updates, and other forms of social media. They are prohibited from sharing information about the Services or any Confidential Information received under this Agreement with employees of any other Galaxy business unit, including Galaxy's investment banking, trading, or asset management units not directly retained by the Investment Manager, unless expressly authorized in writing by the Client.
- (E) **Internal Meetings:** Investment Management Professionals shall adhere to communication restrictions during internal meetings, ensuring that information about the Services or any Confidential Information received under this Agreement is not shared with employees of any other Galaxy business unit, including Galaxy's investment banking, trading or asset management not directly retained by Investment Manager ("**Other Galaxy Business Units**"), unless expressly authorized in writing by the Client.
- (F) **Records:** Investment Management Professionals shall not have access to non-public information contained in reports, memoranda, or files prepared or maintained by Other Galaxy Business Units unless they obtain prior written approval from Galaxy's Chief Compliance Officer.
- (G) **Office Space:** The Investment Manager shall ensure that office spaces occupied by Investment Management Professionals have appropriate access controls in place to limit entry to authorized individuals and restrict all personnel of Other Galaxy Business Units.

- (H) **Trading Rooms:** Unless expressly provided under this Agreement or Investment Management Professionals have obtained prior written approval from Galaxy's Chief Compliance Officer, Investment Management Professionals shall be restricted from entering rooms maintained by Other Galaxy Business Units.
- (iii) *Further Details:* As described in Appendix C attached hereto, the measures described hereunder shall include the establishment of robust internal controls and surveillance, strict limitation of access to Confidential Information on a need-to-know basis, and the conduct of regular training programs for all employees regarding the responsible handling of Confidential Information.
- (iv) *Need-to-Know Basis:* The Investment Management Professionals shall restrict the dissemination of Confidential Information within the Galaxy organization to only those employees and representatives who have a genuine need to know such information in order to fulfill the Investment Manager's obligations under this Agreement. These individuals shall be informed of the confidential nature of the information and the obligations set forth in this Section 4(e) and Investment Manager shall use best efforts to ensure that such individuals abide by obligations set forth in this Section 4(e).
- (f) Further Assurances. The Investment Manager further agrees that it:
 - (i) will at all times conform, to the best of its knowledge and in good faith, to all applicable rules and regulations applicable to the Investment Manager in its capacity as an advisor to the Client in all material respects and in addition will conduct its activities under this Agreement to the best of its knowledge and in good faith, in accordance with any applicable rules and regulations of any governmental or self-regulatory authority;
 - (ii) will report to the Board and its Representatives and will review with Representatives of the Client, on a regular basis and on an ad hoc basis as reasonably requested by the Board, the Client's Assets, as well as the Client's general investment strategies and/or objectives and the performance of the Client's Assets in relation to standard industry indices and general conditions affecting the marketplace, and will provide various other reports from time to time as requested by the Client or its Representatives;
 - (iii) will attend standing weekly calls with the Client and its Representatives, and advisors of the Unsecured Creditors Committee (the "UCC") and the Ad Hoc Group, for the first six weeks commencing the week after the first completed transaction pursuant to this Agreement, and thereafter the cadence will change to monthly;

- (iv) will provide, or instruct the Fund Administrator to provide, written reports no later than five (5) Business Days after the calendar end of each month from the Fund Administrator (as defined below). Such reports shall detail all completed transactions to the Board and its Representatives, the UCC and the Ad Hoc Group, and each of their advisors, and shall include the following information: (A) token name, (B) quantity sold, (C) average price received and (D) execution type and (E) a summary of the hedging yield generated and/or put options purchased;
- (v) will comply with the Investment Program and any investment guidelines separately agreed between the Investment Manager and the Client from time to time in all respects (except as otherwise instructed by the Client) as they relate to diversification, concentration and portfolio rebalancing of the Client's investments in individual Assets or Asset groups;
- (vi) will continuously monitor the value of the Assets held in the Account and events relating to the digital asset markets in which the Client's Assets trade, and will notify the Client or its Representatives of any market events or other situations as the Investment Manager deems appropriate. In addition, Investment Manager will assist the Client, upon the Client's request, in evaluating the impact that such an event may have on the net asset value of the Client's Assets; and
- (vii) will prepare standard reporting and provide regular market commentary with respect to the Client's Account as reasonably requested by Client or its Representatives and will furnish the Board such reports as the Client may reasonably request.

5. Custody and Management of Account.

- (a) Custody; Investment Manager Authority. The Assets held in the Account may be held in the custody of one or more firms designated by Client to provide clearing and custody services for the Assets held in the Account (each such firm, together with any affiliate thereof at which Assets are held, the "**Custodian**"). Any account maintained with such a Custodian shall be in the name of and for the benefit of the Client, and title to all Assets shall remain with the Client. The Custodian shall at all times have custody and/or physical control of the Assets held in the Account unless otherwise directed by the Client. The Investment Manager and the Client do not intend for the Investment Manager to have "custody," for the purposes of the U.S. Investment Advisers Act of 1940, as amended (the "**Advisers Act**"), to the extent applicable, over the Assets held in the Account, and therefore the Investment Manager shall in no event have any authority to (and shall not) instruct the Custodian to transfer cash to itself or any other person, or have or take, or direct any person other than the Custodian to have or take, custody and/or physical control of any Assets in the Account, except in each case instructions to the Custodian to settle bona fide Transactions effected by the Investment Manager for the Account. The Investment Manager shall not have the authority to (and shall not) amend the

terms of the Client's custody or clearing arrangements with respect to the Account or appoint an alternate Custodian.

6. Aggregation and Allocations.

- (a) If the Investment Manager determines that it would be in the best interests of the Client to bundle or aggregate trades for the Account with order(s) for the account(s) of one or more other non-affiliated clients of the Investment Manager, the Investment Manager shall execute orders for the Account and for the accounts of such other clients on a fair and equitable basis. In such situations, the Investment Manager may place orders for the Account and each such other account simultaneously, and in circumstances where (because of prevailing market conditions), all such orders are filled through multiple trades at different prices, the Investment Manager may cause the Account and each such other account to pay or receive the average of the prices at which the orders were filled, with the transaction costs generally allocated pro rata based on the size of each client's participation in the order. In the event of a partial fill, allocations may be modified by the Investment Manager, as deemed to be appropriate and fair and equitable, including in order to avoid odd lots or *de minimis* allocations. If all such orders cannot be executed under prevailing market conditions, the Investment Manager shall allocate the assets traded among the Account and such other accounts in a manner determined by the Investment Manager to be fair and equitable. When orders are not aggregated, trades generally will be processed in the order that they were placed with the counterparties which may result in one client getting more or less favorable price or terms than another or may not be filled entirely or at all or some opportunities for reduced transaction cost or economies of scale may not be achieved.
- (b) Investment Manager will aggregate trades and allocate assets in accordance with its generally applicable policies and procedures with respect to trade aggregation and allocation (the "**Allocation Policy**"). Investment Manager agrees to provide the Client with advance notice, as soon as reasonably practicable, of any upcoming material revisions, amendments or updates to the Allocation Policy. Notwithstanding anything to the contrary herein, in all events, the Client shall at all times be treated in a manner that is fair and reasonable, considered in relation to the Investment Manager's other clients, as regards the allocation of investment opportunities.

7. Fees and Expenses.

- (a) Management Fees.
 - (i) As consideration for Investment Manager's services hereunder, a management fee shall be paid monthly in arrears, within 30 days of the end of the month, and shall be determined as of the last day of each month (such determination date, the "**Management Fee Calculation Date**").

(A) The management fee for the Investment Manager's hedging mandate (the "**Hedging Fee**") shall be, as of any Management Fee Calculation Date, an amount equal to the product of:

- (1) 0.005;
- (2) the number of calendar days in the month of the Management Fee Calculation Date divided by 365; and
- (3) the average USD net asset value of Hedging Assets for that month;

provided that clause (3) shall be calculated for each Hedging Asset for any given month as (w) the sum of the USD value of that Hedging Asset on each calendar day of that month divided by (x) the total number of calendar days in that month. The USD value of each Hedging Asset on a given calendar day shall be calculated as (y) the highest quantity of that Hedging Asset held in the Account on that day times (z) the trading price of that Hedging Asset at 5:30pm (Coordinated Universal Time) on that calendar day using prices quoted by a fund administrator agreed by Client and Investment Manager each acting in good faith (the "**Fund Administrator**"). In the event the Fund Administrator at any given time is unable to quote prices for a Hedging Asset, the Parties shall cooperate in good faith to engage an independent fund administrator reasonably agreeable to each of the Parties to replace the Fund Administrator. An illustrative example of how to calculate the Hedging Fee is set forth on Exhibit B attached hereto.

(B) The management fee for the Investment Manager's liquidation mandate (the "**Liquidation Fee**", together with the Hedging Fee, the "**Total Management Fee**" and each a "**Management Fee**") shall be, as of any Management Fee Calculation Date, the product of

- (1) 0.00075; and
- (2) the total proceeds received by the Client in connection with the sale of any Liquidation Assets in the Account during the month of the Management Fee Calculation Date.

(ii) If this Agreement is terminated on any date that is not the first business day of a calendar month, the Management Fee Calculation Date shall be the effective date of the termination of this Agreement. The Hedging Fee shall be pro-rated in the event that a Management Fee Calculation Date occurs earlier than the last business day of any calendar month or the Client makes any additions to or withdrawals from the Account during a calendar month.

- (b) Invoices. All invoices shall be sent, and all payments shall be made, in accordance with the order entered into by the Bankruptcy Court approving the Approval Order.
- (c) Expenses. The Account shall bear (i) all reasonable and documented out of pocket costs and expenses incurred by the Investment Manager in connection with performing the Services (to the extent the Investment Manager is not reimbursed by the subject of an investment or other third parties), including, without limitation, (1) commissions, interest or other finance charges, custodial and brokerage fees and any other expenses related to the sale or transmittal of the positions in the Account, provided that Client shall not be responsible for any fees paid by Investment Manager to an affiliate thereof engaging in brokerage services to effect a Transaction, and (2) any reasonable and documented fees and expenses of the Investment Manager's outside legal counsel and other advisors incurred in performing the Services after the Effective Date, provided that Investment Manager shall notify Client prior to engaging any advisors as contemplated by clause (2) and (ii) up to \$100,000 for fees and expenses incurred by the Investment Manager's outside legal counsel before the Effective Date (together, the "**Expenses**"), without further order of, or application to, the Bankruptcy Court by such professional advisor, the Investment Manager or the Client; provided that prior to any such Expenses being due, Investment Manager shall furnish the Client with invoices relating to such Expenses, which shall include supporting documentation setting forth in reasonable detail the nature of the Expenses, the transactions to which such Expenses relate, the calculation thereof (where applicable) and such other information relating thereto as may be reasonably requested by the Client; provided, further, that no outside legal counsel to the Investment Manager shall be required to provide the Client with individual time detail or a breakdown of tasks by individual. In the event of any termination of this Agreement, whether pursuant to Section 8 hereof or otherwise, the Client shall remain obligated to reimburse the Investment Manager for any and all Expenses accrued up to and including such date of termination.
- (d) Court Approval. Notwithstanding anything to the contrary herein, the Client (or, if applicable, its chosen designee) shall not pay the Investment Manager any fees or charges accrued under this Agreement unless and until the Bankruptcy Court has entered an order approving the Client's entry into this Agreement and payment of fees and charges accrued under this Agreement.
- (e) Fees and Expenses Generally. The Client's obligation to pay any fee, expense or indemnity set forth herein shall be absolute and unconditional and shall not be subject to any reduction by way of setoff, recoupment or counterclaim. Once paid, no amount paid under this Agreement shall be refundable under any circumstances. Nothing herein shall impact any claims that Client may have against Investment Manager or that Investment Manager may have against Client unrelated to the negotiation of, entry into and performance under this Agreement, and the rights and obligations of the Parties set forth herein. The Parties acknowledge and agree that any fee, expense or indemnity to be paid by Client hereunder may be paid by Client or a designee chosen by Client in its sole and absolute discretion.

8. Termination.

- (a) The Parties may mutually agree to terminate this Agreement at any time, subject to an agreement on the date on which the Agreement will terminate (the “**Termination Date**”).
- (b) Investment Manager may terminate this Agreement:
 - (i) upon ninety (90) calendar days prior written notice or such shorter period of time as the parties may agree in writing (in each case with email being sufficient); or
 - (ii) immediately in accordance with Section 11.

The Client agrees that the providing of any such notice shall not be in violation of the automatic stay provided for under section 362 of title 11 of the United States Code (the “**Bankruptcy Code**”) or otherwise.

- (c) The Client may terminate this Agreement:
 - (i) upon forty-five (45) calendar days prior written notice or such shorter notice period as the parties may agree in writing (in each case with email being sufficient); or
 - (ii) with immediate effect at any time for Cause. For this purpose, the term “**Cause**” means (A) a material breach by Investment Manager of this Agreement (provided, that Investment Manager shall have a cure period of thirty (30) days following notice of breach in the case of any such breach that is susceptible of cure, and provided further that such cure period shall be reduced to five (5) days with respect to any repeat material breach after the first occurrence), (B) the commission by Investment Manager of a Disqualifying Action (as defined below) in connection with its duties under this Agreement, (C) Investment Manager (or any of its or its affiliates’ respective principals, officers, directors, members, partners, shareholders, agents and employees) being convicted of (including by pleading guilty or nolo contendere to) a felony or becoming subject to any other legal or regulatory sanction, injunction or other limitation on its activities that would materially interfere with the Investment Manager’s ability to perform its obligations hereunder or (D) the entry of Investment Manager into bankruptcy or insolvency proceedings.
- (d) Termination of this Agreement shall not, however, affect liabilities and obligations under this Agreement or incurred or arising from Transactions initiated under this Agreement prior to the termination date, including the payment of any accrued fees pursuant to Section 7 hereof. Following any termination of this Agreement, the Investment Manager shall work with the Client in good faith to effect a prompt and orderly transition of the Services to the Client or to such third party as the Client shall designate and in a manner consistent with all applicable duties and obligations

under all applicable laws, rules and regulations; provided, however, that the Investment Manager will have no obligation to recommend any action with respect to, or to liquidate, the assets in the Account nor shall the Investment Manager be required to incur any out of pocket expense.

9. Limitation of Liability; Exculpation and Indemnification; Other Activities; Force Majeure.

(a) Limitation of Liability.

- (i) The Investment Manager does not guarantee the future performance of the Account or any specific level of performance, the success of any investment decision or strategy that the Investment Manager may use, or the success of the Investment Manager's overall management of the Account. The Investment Manager does not provide any express or implied warranty as to the performance or profitability of the Account or any part thereof or that any specific investment objectives will be successfully met. The Client understands that investment decisions made by the Investment Manager on behalf of the Account are subject to various market, currency, economic, political and business risks, and that those investment decisions will not always be profitable.
- (ii) Except in the cases of willful misconduct, gross negligence, fraud, reckless disregard, material breach of this Agreement, or, in the case of Investment Manager, Investment Manager's operational errors in handling Assets or effecting transactions for the Client's account (each, a "**Disqualifying Action**"), Investment Manager shall not have any liability (whether direct or indirect, in contract or tort or otherwise) for any claims, liabilities, losses, damages, penalties, obligations or expenses of any kind whatsoever, including reasonable attorneys' fees and court costs ("**Losses**") suffered by the Client (1) as the result of any act or omission by the Investment Manager in connection with, arising out of or relating to the performance of the Services or (2) any "passive breach" of the Investment Program or any investment guidelines separately agreed between the Investment Manager and the Client from time to time arising solely as a result of (x) changes in market value or (y) additions to or withdrawals from the Account or portfolio rebalancing, in each case to the extent not within the control of the Investment Manager. Under no circumstances (including due to gross negligence, bad faith, intentional fraud or willful misconduct) will any Party be responsible for any special, consequential, incidental or exemplary damages or loss hereunder (nor any lost profits, savings or business opportunity). The Investment Manager and any person acting on its behalf shall be entitled to rely in good faith upon information, opinions, reports or statements of legal counsel (as to matters of law) and accountants (as to matters of accounting or tax) and, accordingly, such good faith reliance by a person shall not constitute a Disqualifying Action so long as such counsel or accountant was selected and consulted with due care.

(b) Indemnification.

- (i) The Client agrees to indemnify and hold harmless each of the Investment Manager, its affiliates or personnel or any of their respective directors, members, officers, employees, affiliates, secondees, agents, delegates, partners or representatives (each, an “**Indemnified Party**” and collectively, the “**Indemnified Parties**”), against any Losses suffered or incurred by reason of, relating to, based upon, arising from or in connection with (directly or indirectly) (A) the operations, business or affairs of the Client, or any actions taken by the Investment Manager or failure by it to act (even if negligent) in connection with this Agreement, (B) a Disqualifying Action by the Client, or (C) the Client’s breach of this Agreement, in each case except to the extent that such Losses are determined by a court of competent jurisdiction, upon entry of a final judgment, to be attributable to a Disqualifying Action of such Indemnified Party.
- (ii) To the fullest extent permitted by law, the Client shall, upon the request of any Indemnified Party, advance or promptly reimburse such Indemnified Party’s out-of-pocket costs of investigation (whether internal or external), litigation or appeal, including attorneys’ fees and disbursements, reasonably incurred in responding to, litigating or endeavoring to settle any claim, action, suit, investigation or proceeding, whether or not pending or threatened, and whether or not any Indemnified Party is a party, arising out of or in connection with or relating to the operations, business or affairs of the or in furtherance of the interests of the Client (a “**Claim**”); *provided that* the affected Indemnified Party shall, as a condition of such Indemnified Party’s right to receive such advances and reimbursements, undertake in writing to promptly repay the applicable funds for all such advancements or reimbursements if a final judgment of a court of competent jurisdiction has determined that such Indemnified Party is not then entitled to indemnification under this Section 9. If any Indemnified Party recovers any amounts in respect of any Claims from insurance coverage or any third-party source, then such Indemnified Party shall, to the extent that such recovery is duplicative, reimburse the Client for any amounts previously paid to it by the Client in respect of such Claims.
- (iii) Notwithstanding anything else contained herein to the contrary, the provisions of this Section 9(b) shall in no way limit the liability of the Guarantor under the Galaxy Parental Guaranty.
- (iv) The right of any Indemnified Party to indemnification as provided herein shall be cumulative of, and in addition to, any and all rights to which such Indemnified Party may otherwise be entitled by contract or as a matter of law or equity and shall extend to such Indemnified Party’s successors, assigns and legal representatives.

- (v) Promptly after receipt by an Indemnified Party of notice of any Claim or of the commencement of any action or proceeding involving a Claim, such Indemnified Party shall, if a claim for indemnification in respect thereof is to be made against the Client, give written notice to the Client of the receipt of such Claim or the commencement of such action or proceeding; *provided*, that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Client of its obligations hereunder, except to the extent that the Client is actually prejudiced by such failure to give notice.
- (vi) Each Indemnified Party shall cooperate with the Client and its counsel in responding to, defending and endeavoring to settle any proceedings or Losses that may be subject to indemnification by the Client pursuant to this Section 9(b). Without limiting the generality of the immediately preceding sentence, if any proceeding is commenced against an Indemnified Party, the Client shall be entitled to participate in and to assume the defense thereof to the extent that the Client may wish, with counsel reasonably satisfactory to such Indemnified Party. After notice from the Client to such Indemnified Party of the Client's election to assume the defense thereof, the Client shall not be liable for expenses subsequently incurred by such Indemnified Party without the consent of the Client (which shall not be unreasonably withheld) in connection with the defense thereof. Without the Indemnified Party's consent, the Client will not consent to entry of any judgment in or enter into any settlement of any such action or proceeding which does not include as an unconditional term thereof the giving by every claimant or plaintiff to such Indemnified Party of a release from all liability in respect of such claim or litigation.
- (vii) Nothing herein shall constitute a waiver or limitation of any rights which the Client may have under any applicable securities laws.
- (c) Force Majeure. The Investment Manager shall not be in default in the performance of its obligations under this Agreement to the extent that the performance of any such obligations is prevented or delayed by any cause which is beyond the reasonable control of the Investment Manager, including without limitation due to any action, policy, rule, regulation or order of any governmental or self-regulatory authority.
- (d) Securities and Commodities Law Compliance. The Investment Manager reserves the right to take, or refrain from taking, any action hereunder to ensure compliance with all applicable securities and commodities laws, as reasonably determined by the Investment Manager (in consultation with counsel, which may be internal counsel) in its sole and absolute discretion. No action taken (or refrained from being taken) pursuant to this Section 9(d) shall constitute a breach of the Investment Manager's obligations hereunder.
- (e) Non-Exclusivity; Other Activities.

- (i) It is understood and agreed by the Parties that the appointment of the Investment Manager under this Agreement is on a non-exclusive basis and the Investment Manager may provide investment advisory services to other investment accounts, investment vehicles and other clients, subject to the Investment Manager's compliance with this Agreement and applicable laws and regulations.
- (ii) Subject to Section 1 and Section 6 hereof, nothing in this Agreement shall limit or restrict the Investment Manager and its affiliates, and its and their officers, employees or representatives from buying, selling or trading in any investments for its own account or for the account of any other investment vehicle, investment account or any other client managed or advised by the Investment Manager. The Client acknowledges that Galaxy Digital LP is a financial services firm engaged directly and through its subsidiaries and affiliates (collectively, the "**Firm**") in investment banking, investment, trading, financial advisory services, investment management, asset management and other advisory services. The Client understands and acknowledges that the Firm will not be under any duty to disclose to the Client, or use for the benefit of the Client, any confidential or non-public information obtained by it in the course of providing services to any other person or engaging in any other transaction (including as principal) or business activities. In the ordinary course of business activities, the Firm or its personnel may at any time hold long or short positions, and may trade or otherwise effect transactions, for its or their own accounts or the accounts of customers, in any assets or financial instruments, including but not limited to fiat currency, digital assets, securities, bank loans and derivatives of the Client or any other party to a transaction or any of their respective affiliates.

which it or its assets may be bound or, to the best of each Party's knowledge and in good faith, any statute or any rule, regulation or order of any governmental or regulatory authority currently in effect.

- (b) Client's Representations. The Client hereby further represents, warrants and agrees as follows:

 - (ii) The Client (either alone or together with any advisors retained by the Client in connection with evaluating the merits and risks of entering into this Agreement) has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of entering into this Agreement and are able to bear the economic risk of the Services, including the risk of a complete loss of the Assets.
 - (iii) The Client has been given the opportunity to (A) ask questions of, and receive answers from, the Investment Manager concerning the terms and conditions of the Services, this Agreement (including for the avoidance of doubt all exhibits, schedules, appendices and annexes hereto) and other matters pertaining to the Investment Manager's management of the Assets and (B) obtain any additional information which the Investment Manager can obtain without unreasonable effort or expense that is necessary to evaluate the merits and risks of the Services. The Client has carefully considered and has, to the extent it believes such discussion necessary, discussed with legal, tax, accounting and financial advisors the suitability of entering into this Agreement in light of its particular tax and financial situation and has determined that entering into this Agreement is suitable for itself.
 - (iv) The Client agrees to provide, at the time or times prescribed by law and at such time or times as requested, any information, documentation or certification required by law or otherwise requested that the Investment Manager reasonably believes will enable the Investment Manager or any of its respective employees or agents to comply with all applicable anti-money laundering statutes, rules, regulations and policies, including any policies applicable to an investment held or proposed to be held by the Account.

- (vii) Client is not an “investment company” registered under the 1940 Act.
 - (viii) Upon Investment Manager’s written request, and to the extent necessary to permit Investment Manager to perform the Services, senior management of the Client, including its Chief Executive Officer and Chief Financial Officer, shall timely make themselves reasonably available to meet with Investment Manager.
 - (ix) Before the Effective Date, Client shall use reasonable best efforts to ensure that each Client Beneficiary (A) becomes a party to this agreement as contemplated by Section 16(i) and (B) grants a power of attorney to Investment Manager as contemplated by Section 3(e)(i).
 - (x) Client shall promptly notify the Investment Manager of any change in the representations, warranties and covenants set forth herein.
- (c) Investment Manager Representations. The Investment Manager hereby further represents and warrants that:
- (i) (A) It is an “investment adviser” as such term is defined under the Advisers Act, and is duly registered with the Securities and Exchange Commission (“SEC”), (B) maintains and implements internal procedures and policies reasonably designed to comply in all material respects with laws as applicable to the Investment Manager, including the Advisers Act and U.S. securities laws and (C) complies in all material respects with laws as applicable to the Investment Manager, including the Advisers Act and U.S. securities laws.
 - (ii) It is duly qualified to do business and is in good standing in each jurisdiction where the conduct of its business requires it to be so qualified and has in effect all federal, state, local and foreign governmental authorizations necessary for it to carry on its business as it is now conducted.
 - (iii) In connection with the execution, delivery or performance of this Agreement, Investment Manager is not required to make or obtain, other than the Approval Order, any consents or approvals of, or filings or registrations with, any court, administrative agency or commission or other self-regulatory organization, governmental authority or instrumentality, including the SEC, or with any third party.
 - (iv) Neither the Investment Manager nor any “person associated with an investment adviser” (as defined in the Advisers Act) thereof, as applicable,

is ineligible pursuant to Section 203 of the Advisers Act to serve as an investment adviser or as an associated person to a registered investment adviser.

- (v) In performing its services and obligations pursuant to this Agreement, the Investment Manager will comply with the Investment Program, any investment guidelines separately agreed between the Investment Manager and the Client from time to time, and all applicable written supervisory and compliance policies and procedures of Investment Manager in accordance with the terms hereof; provided that any actions taken by Investment Manager prior to the date hereof, in connection with or in preparation for its performance of services and obligation pursuant to this Agreement and for the benefit of the Client, shall also be deemed subject to the representations, duties and obligations of Investment Manager hereunder.
- (vi) The Investment Manager shall furnish to the Client such information regarding the Investment Manager, its affiliates and its personnel as the Client may reasonably request from time to time (A) in connection with the preparation of disclosure documents and/or materials required for regulatory compliance purposes or as required by applicable law or (B) to enable the Client to carry out the actions contemplated by this Agreement.
- (vii) Other than the Approval Order, the Investment Manager has obtained all material governmental, regulatory, self-regulatory and exchange licenses and approvals that are required for the Investment Manager to perform its obligations hereunder.
- (viii) Upon Client's written request, and to the extent necessary to comply with its obligations under this Agreement, senior management of the Investment Manager, including its Global Head of Asset Management and Chief Operating Officer, shall timely make themselves reasonably available to meet with the Board.
- (d) The foregoing representations, warranties and agreements contained in this Section 10 shall continue and remain in effect, being deemed to be restated on an ongoing basis (including in connection with each transaction executed on behalf of the Client), during the term of this Agreement. Each Party shall promptly notify the other Parties of the occurrence of any event or condition that is reasonably likely to make any of the foregoing representations, warranties and agreements materially incomplete, inaccurate, false or misleading.

11. Bankruptcy Court Approval.

The Client shall seek approval of its entry into this Agreement by the Bankruptcy Court pursuant to Section 363 of the Bankruptcy Code. Such motion, the proposed Approval Order, and an accompanying motion seeking approval of the contemplated monetization program and proposed order approving the same (the "**Monetization Order**") shall be

provided to the Investment Manager (and its legal representatives) at least five (5) days prior to its filing, the substance and form of each of which must in any event be reasonably acceptable to the Investment Manager. The Investment Manager shall have no obligation to provide services under this Agreement unless and until (a) the Bankruptcy Court enters the Monetization Order and (b) the Bankruptcy Court enters the Approval Order which is reasonably acceptable to the Investment Manager and which Approval Order approves this Agreement in all material respects. Notwithstanding anything herein to the contrary, the Investment Manager shall not be responsible in any respect for the Client's compliance with any Monetization Order and shall not be liable for any breach by the Client of the terms and conditions thereof.

If the Approval Order is not entered on or before September 30, 2023, or is later reversed, materially modified without Investment Manager's consent or set aside for any reason, the Investment Manager may terminate this Agreement immediately. All fees and expenses that come due hereunder (including any indemnities) shall be entitled to priority as administrative expenses under sections 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code.

The Client will use its best efforts to ensure that, to the fullest extent permitted by law, any confirmed plan of reorganization or liquidation in the Chapter 11 Cases contains typical and customary releases (both from the Client and from third parties) and exculpation provisions releasing, waiving and forever discharging the Investment Manager, its divisions, affiliates, any person controlling the Investment Manager or its affiliates and their respective current and former directors, officers, partners, managers, members, agents, representatives and employees from any and all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities related to the Client or the Services. The terms of this Section are solely for the Investment Manager's benefit and may be waived, in whole or in part, only by the Investment Manager.

12. **Expertise.** The Client acknowledges and agrees that Galaxy's asset management expertise, as well as its digital asset markets knowledge, financial skills and risk management capabilities, some or all of which may be required by the Client during the term of the Services, were important factors in determining the amount of the Management Fees set forth herein, and that the ultimate benefit to the Client of the Investment Manager's services hereunder could not be measured merely by reference to the number of hours to be expended by the Investment Manager in the performance of such services. The Client also acknowledges and agrees that the Management Fees (together with any other amounts that come due hereunder) have been agreed upon by the Parties in anticipation that a substantial commitment of time and effort will be required of the Investment Manager and its professionals over the life of the Services and in light of the fact that such commitment may foreclose other opportunities for the Investment Manager, and that the actual time and commitment required of the Investment Manager and its professionals to perform the services hereunder may vary substantially from week to week or month to month, creating "peak load" issues for Galaxy. In addition, given the numerous issues which Galaxy may be required to address in the performance of its services hereunder, its commitment to the variable level of time and effort necessary to address all such issues as they arise and the market prices for its services for engagements of this nature in an out-of-court context, the

Client agrees that the fee arrangements specified under Section 7 are commercially reasonable.

- 13. Information; Cooperation.** In connection with the Services, the Client will provide Investment Manager with reasonable access to the Client's Representatives, and will furnish the Investment Manager and cause its Representatives to furnish Investment Manager with such information as the Investment Manager reasonable believes appropriate for the Services (all such information so furnished being the "**Information**"). The Client recognizes and confirms that the Investment Manager will use and rely primarily on the Information and on information available from generally recognized public sources in performing its services without having independently verified the same. Neither the Client or the Investment Manager assumes responsibility for the accuracy or completeness of the Information or have any liability therefor. The Client will promptly notify the Investment Manager if it learns of any material inaccuracy or misstatement in, or material omission from, any Information theretofore delivered to the Investment Manager. For the avoidance of doubt, all Information shall remain the property of Client and under its control.

The Client agrees to cooperate with the Investment Manager in the performance of its services under this Agreement and, upon Investment Manager's reasonable request, shall provide the Investment Manager with timely access to and use of personnel, facilities, equipment, data and information to the extent necessary to permit the Investment Manager to perform its services under this Agreement.

14. Confidentiality.

- (a) Neither Party shall disclose or use (including, without limitation, for trading purposes) any information, records, investment advice or other information (including any "Information" as defined above) (the "**Confidential Information**") obtained pursuant to this Agreement in any manner whatsoever except as expressly authorized in this Agreement, except: (i) as required by law or in connection with requests for information or documents, subpoena, civil or criminal investigative demand or similar process; (ii) as necessary to effect the terms of this Agreement; (iii) as required to be furnished to any governmental regulatory agency or self-regulating body in connection with any judicial, governmental or other regulatory proceeding; or (iv) as reasonably required by any affiliate of the Client on a need-to-know basis in connection with this Agreement. Except as expressly set forth herein or otherwise agreed by the Parties in writing, all Confidential Information received by any Party may only be used by such Party in connection with this Agreement. The foregoing obligations shall not extend to any information to the extent that the party receiving such Confidential Information (the "**Receiving Party**") can demonstrate that such information (A) was at the time of disclosure or, to the extent that such information thereafter becomes through no fault of the Receiving Party, a part of the public domain by publication or otherwise; (B) was already properly and lawfully in the Receiving Party's possession at the time it was received by the Receiving Party free from any obligation of confidentiality, (ccc) was or is lawfully received by the Receiving Party from a third party who was under no obligation of confidentiality to the Party disclosing the Confidential Information

(the “**Disclosing Party**”) with respect thereto, or (C) is independently developed by the Receiving Party or its independent contractors who did not have access to the Disclosing Party’s Confidential Information.

- (b) Notwithstanding anything herein to the contrary, (i) Client may disclose to any and all persons, without limitation of any kind, as is requested or required in connection with the Chapter 11 Cases and/or transactions or litigation related thereto, including of any plan confirmed by the Bankruptcy Court, Client’s U.S. federal income tax treatment and the U.S. federal income tax structure of the transactions contemplated hereby relating to the Client and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure; and (ii) Client may disclose all Confidential Information that is appropriate for the preparation or auditing of Client’s financial statements or tax returns to all persons involved in the preparation or auditing of such financial statements or tax returns. No disclosure of any Confidential Information referenced in clause (i) of the preceding sentence may be made to the extent nondisclosure is reasonably necessary in order to comply with applicable securities laws.

- 15. Notice of Litigation or Certain Other Events.** Investment Manager shall promptly notify Client of (a) the institution of any litigation or government proceedings against Investment Manager that if determined adversely would reasonably be expected to have a material adverse effect on Client. (b) any settlement, decree, judgment, award or other material development relating to litigation or proceedings described in clause (a) of this paragraph; (c) the incapacity of Investment Manager that would reasonably be expected to result in a material adverse change to Client; (d) any breach or failure by Investment Manager to perform its material obligations under this Agreement; and (e) the occurrence of Regulatory Event involving Investment Manager. A “Regulatory Event” shall be deemed to occur upon (x) the indictment of Investment Manager of a felony-level criminal offense or the commencement of a securities-related litigation (whether criminal or civil) against Investment Manager or (y) the commencement of an administrative proceeding before, or investigations or actions by, the SEC or any other federal regulatory or self-regulatory agency or any state agency relating to an alleged securities laws violation by Investment Manager. For the avoidance of doubt, the receipt of a “Wells notice,” the commencement of an informal inquiry, a regulatory “sweep” or an ordinary audit or exam by the SEC or other regulatory body will not be deemed a Regulatory Event.

16. Miscellaneous

- (a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns permitted hereby; *provided* that, this Agreement may not be assigned by either Party without the prior written consent of the other Party.
- (b) Amendment. Other than as described in this Agreement, this Agreement may not be modified or amended except in writing signed by the Parties.

- (c) Survival. No termination of this Agreement shall affect the liabilities and obligations of the Parties arising from or in connection with services performed or transactions initiated prior to such termination. Without limiting the generality of the foregoing, the provisions of Sections 7 (Fees and Expenses.), 9 (Limitation of Liability; Exculpation and Indemnification; Other Activities; Force Majeure.), 14 (Confidentiality.) and 15 (Notice of Litigation or Certain Other Events) shall survive any termination of this Agreement.

- (e) Governing Law. All aspects of the relationship created by this Agreement (including Annex A) shall be governed by and construed in accordance with the laws of the State of New York, applicable to agreements made and to be performed entirely in such State. The parties irrevocably submit to the exclusive jurisdiction of the United States Bankruptcy Court for the District of Delaware with respect to any proceeding arising out of or relating to this Agreement or any transaction in connection herewith. Client further agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit or in another manner provided by law, and consents to the service of process upon it by the mailing or delivering such service to its agent and authorizes and directs its agent to accept such service. Galaxy and Client (on its own behalf and, to the extent permitted by law, on behalf of its equity holders) waive all right to trial by jury in any action, suit, proceeding or counterclaim (whether based upon contract, tort or otherwise) related to or arising out of the Services or the performance by Investment Manager of the services contemplated by this Agreement.
- (f) Severability. If any provision of this Agreement would be invalid under applicable law, then such provision shall be deemed to be modified to the extent necessary to render it valid while most nearly preserving its original intent. No provision hereof shall be affected as a result of another provision being held invalid.
- (g) Notices. All notices under this Agreement (including termination notices pursuant to Section 6) shall be in writing (including by email) and delivered to such addresses or numbers set forth below, or as otherwise specified in writing by any Party to the other Party in writing from time to time. Exhibit A

FORM OF GALAXY PARENTAL GUARANTY

GUARANTY

This GUARANTY (“**Guaranty**”), dated as of the date hereof, is made by Galaxy Digital Holdings LP, a Cayman Islands exempted limited partnership (the “**Guarantor**”), in favor and for the benefit of the Client (as such term is defined in the Services Agreement (as defined below) (“**Beneficiary**”). Terms not hereinafter defined shall have meanings set forth in the Services Agreement.

Beneficiary and Galaxy Digital Capital Management L.P. (“**Investment Manager**”) have entered into an investment management agreement dated as of [•], pursuant to which Investment Manager will provide certain investment management services with respect to certain assets of Beneficiary (the “**Services Agreement**”). In connection with the rights and obligations granted to Investment Manager pursuant to the Services Agreement, Investment Manager has entered into, on behalf of Beneficiary, a Cryptocurrency Purchase and Sale Agreement, dated as of [•] and the form of which is attached as hereto, by and between Galaxy Digital Trading Cayman LLC, a limited liability company organized under the laws of the Cayman Islands and/or any of its affiliates that become a “Galaxy Trading Partner” as defined in the Services Agreement (together, “**Galaxy Cayman**” or the “**Obligor**”) and Client (the “**Galaxy Trading Agreement**”). In consideration of any indirect or tangential benefits derived by Guarantor from the transactions under the Galaxy Trading Agreement, and in order to induce Beneficiary to enter into the Services Agreement, Guarantor hereby agrees as follows:

1 Guaranty. Guarantor absolutely guarantees, as primary obligor and not merely as surety, the full and punctual payment and performance of all present and future obligations, liabilities, covenants and agreements required to be observed and performed or paid or reimbursed by Obligor with respect to the Assets as set forth under Section 2 of the Services Agreement when the same are due and payable, whether on demand, at stated maturity, by acceleration, early termination or otherwise, in accordance with the terms of the Galaxy Trading Agreement, plus all costs, expenses and fees (including the reasonable fees and expenses of Beneficiary’s counsel) in any way relating to the enforcement or protection of Beneficiary’s rights hereunder (collectively, the “**Obligations**”) provided such Obligations shall not exceed the “**Total Guaranteed Amount**” as defined in Appendix A1 herein. For the avoidance of doubt, the total liability of Guarantor under this Guaranty shall not extend beyond amounts which Beneficiary is entitled to recover under the applicable Galaxy Trading Agreement plus the foregoing expenses and costs of enforcement or protection provided such amounts shall not exceed the Total Guaranteed Amount as defined in Appendix A1 herein.

2 Guaranty Absolute. Guarantor agrees that its obligations under this Guaranty (i) are continuing, unconditional, and absolute, (ii) are irrevocable and shall remain in full force and effect until all Obligations and other amounts payable under this Guaranty and the Galaxy Trading Agreement have been validly, finally, and irrevocably paid or performed in full, and (iii) shall not be discharged or impaired or otherwise affected by, and Guarantor hereby irrevocably waives any defenses to enforcement it may have (now or in the future) by reason of:

(a) Any change in the time, place or manner of payment or performance of, or in any other term of the Obligations, or any rescission, waiver, release, assignment, amendment or other modification of the Galaxy Trading Agreement or any Obligation.

(b) Any taking, exchange, substitution, release, impairment, amendment, waiver, modification or non-perfection of any collateral or any other guaranty for the Obligations, or any manner of sale, disposition or application of proceeds of any collateral or other assets to all or part of the Obligations.

(c) Any default, failure or delay, willful or otherwise, in the performance of the Obligations, the Galaxy Trading Agreement or this Guaranty or in the assertion of any claim against the Obligor or Guarantor by Beneficiary.

(d) The failure of (i) any other guarantor or third party to execute or deliver this Guaranty or any other guaranty or agreement, or the release or reduction of liability of Guarantor or any other guarantor or surety with respect to the Obligations, or (ii) consideration, breach of warranty, payment, performance, statute of frauds, statute of limitations, accord and satisfaction, and usury with respect to the Guaranty, the Galaxy Trading Agreement or any Obligation.

(e) Any claim as to (i) the Galaxy Trading Agreement's, any Obligation's or this Guaranty's validity, regularity or enforceability or the lack of authority of the Obligor to execute or deliver the Galaxy Trading Agreement; (ii) any extension of credit or financial accommodation by Beneficiary to or for the account of the Obligor other than that guaranteed hereunder; (iii) any present or future law, regulation or order of any jurisdiction (whether of right or in fact) or of any agency thereof purporting to reduce, amend, restructure or otherwise affect any term of the Galaxy Trading Agreement or Obligation; (iv) any rights to interpose any counterclaim or offset of any nature and descriptions which it may have or which exist between and among Beneficiary, the Obligor and/or Guarantor except as specifically set forth in the Galaxy Trading Agreement; (v) absence, impairment or loss of any right of reimbursement, contribution or subrogation or any other right or remedy of Guarantor against the Obligor or any other person or collateral securing the Galaxy Trading Agreement or any Obligation; and (vi) any benefit of, and any right to participate in, any collateral given to Beneficiary to secure the payment of all or any part of the Obligations.

(f) any change in the corporate, partnership, limited liability company or other existence, structure or ownership of the Obligor or any insolvency proceeding or other similar proceeding affecting the Obligor or any of its assets, or any resulting release or discharge of any obligation of the Obligor;

(g) the disallowance, under any state or federal bankruptcy, insolvency or similar law, of all or any portion of the claims of Beneficiary for repayment of all or any part of the Obligations;

(h) the existence of any claim, setoff or other rights which Guarantor may have at any time against the Obligor, Beneficiary or any other person, whether in connection herewith or in connection with any unrelated transactions; provided that, notwithstanding any other provisions in this Guaranty, nothing in this Guaranty shall prevent the assertion of any such claim by separate suit or compulsory counterclaim;

(i) Any other defense whatsoever which might constitute a defense available to, or discharge of, the Obligor or Guarantor (whether arising in connection with Guarantor's status as surety or otherwise), whether or not the Obligor or Guarantor has any notice or knowledge of any of the foregoing.

(j) No failure on the part of Beneficiary to exercise or exercise in full, and no delay in exercising, any right, power or privilege under this Guaranty shall operate as a waiver or preclude any other or further exercise thereof.

3 Certain Waivers; Acknowledgments. Guarantor further acknowledges and agrees as follows:

(a) This Guaranty is a guaranty of payment and performance and not of collection.

(b) This Guaranty is a direct guaranty and independent of the obligations of the Obligor under the Galaxy Trading Agreement. Beneficiary may resort to Guarantor for payment and performance of the Obligations. Beneficiary may, at Beneficiary's option, proceed against Guarantor and Obligor, jointly and severally, or against Guarantor only after having obtained a judgment against Obligor.

(c) Guarantor hereby waives and relinquishes any and all legal and equitable defenses available to a guarantor (other than performance and indefeasible payment in full in cash by the Obligor) and agrees not to assert or take advantage of any such defenses, including, without limitation, presentment, notice of dishonor, demand, protest, prior proceedings (including bankruptcy, insolvency, reorganization, or similar proceedings), order and any notices not provided herein, including any notice of acceptance of this Guaranty, the Galaxy Trading Agreement or any amendments or modifications thereto or incurrence of any Obligation (including that arising from any Transaction arising by way of assignment or transfer) and any other formality or defense with respect to any of the Obligations, the Galaxy Trading Agreement, or this Guaranty. Beneficiary shall not be obligated to file any claim relating to the Obligations, including any claim in the event that Guarantor becomes subject to a bankruptcy, insolvency, reorganization, liquidation, receivership, conservatorship, arrangement or similar proceeding, and any failure of Beneficiary to file any such claim shall not affect Guarantor's obligations hereunder.

4 Subrogation. Guarantor waives and shall not exercise any rights that it may acquire by way of subrogation, contribution, reimbursement, indemnification, exoneration or set-off for payments made under this Guaranty until all Obligations shall have been indefeasibly performed or paid and discharged in full. Should Guarantor have the right, notwithstanding the foregoing, to exercise its subrogation rights prior to complete satisfaction of its obligations under this Guaranty, Guarantor hereby expressly and irrevocably (i) subordinates in favor of Beneficiary any and all rights at law or in equity to subrogation, contribution, reimbursement, indemnification, exoneration or set-off that Guarantor may have prior to the complete satisfaction of its obligations under this Guaranty, and (ii) waives any and all defenses available to a surety, guarantor or accommodation co-obligor until all Obligations shall have been indefeasibly performed or paid and discharged in full. Guarantor acknowledges and agrees that this subordination is intended to benefit Beneficiary and shall not limit or otherwise affect Guarantor's liability hereunder or the

enforceability of this Agreement, and that Beneficiary and its successors and assigns are intended third party beneficiaries of the waivers and agreements set forth in this Section 4.

5 Reinstatement. The obligations of Guarantor under this Guaranty shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Obligor in respect of the Obligations is at any time rescinded, annulled, avoided, set aside, invalidated, declared to be fraudulent or must be otherwise restored or repaid by any holder of any of the Obligations, whether as a result of any proceedings in bankruptcy or reorganization, equitable cause or otherwise. The provisions of this Section 5 shall survive termination of this Guaranty.

6 In any action or proceeding involving any provincial, territorial or state corporate law, or any state or federal bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of Guarantor under this Guaranty would otherwise be held or determined to be void, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under this Guaranty, then, notwithstanding any other provision hereof to the contrary, the amount of such liability shall, without any further action by Guarantor, Beneficiary or any other person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

7 Representations and Warranties. To induce Beneficiary to enter into the Galaxy Trading Agreement, Guarantor represents and warrants that: (a) Guarantor is a duly organized and validly existing exempted Cayman Islands limited partnership under the laws of the jurisdiction of its organization; (b) this Guaranty constitutes Guarantor's valid and legally binding agreement in accordance with its terms; (c) the execution, delivery and performance of this Guaranty have been duly authorized by all necessary action and will not violate or conflict with any law, order, judgment or decree to which Guarantor or any of its assets may be subject; (d) Guarantor is currently solvent and will not be rendered insolvent by providing this Guaranty; (e) there is no pending or threatened action or proceeding affecting Guarantor before any court, governmental agency or arbitrator that could reasonably be expected to have a material adverse effect on the financial condition of Guarantor or the ability of Guarantor to perform its obligations hereunder and (f) Guarantor's obligations are legal, valid and binding.

8 Notices. All notices, requests, consents, demands and other communications hereunder (each, a "**Notice**") shall be in writing and delivered to the parties at the email addresses set forth herein or to such other address as may be designated by the parties in writing. Except as otherwise provided in this Guaranty, a Notice is effective only (a) (i) if sent by mail, with written confirmation of delivery or (ii) if sent by email, upon receipt of the receiving party; and (b) if the party giving the Notice has complied with the requirements of this section. Guarantor irrevocably waives, to the fullest extent permitted by law, any notice not provided for herein.

9 Assignment. This Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided, however, that Guarantor may not, without the prior written consent of Beneficiary, assign any of its rights, powers or obligations hereunder. Beneficiary may not assign this Guaranty and its rights hereunder without the consent of Guarantor. Any attempted assignment in violation of this section shall be null and void.

12 Cumulative Rights. Each right, remedy and power hereby granted to Beneficiary or allowed it by applicable law or other agreement shall be cumulative and not exclusive of any other, and may be exercised by Beneficiary at any time or from time to time.

13 Certain Taxes. All payments to be made pursuant to this Guaranty shall be made free and clear of any deduction and/or withholding tax unless such deduction or withholding tax is required by applicable law.

14 Severability. If any provision of this Guaranty is to any extent determined by final decision of a court of competent jurisdiction to be unenforceable, the remainder of this Guaranty shall not be affected thereby, and each provision of this Guaranty shall be valid and enforceable to the fullest extent permitted by law.

15 Termination. Notwithstanding anything contained herein to the contrary, and only after payment and/or performance and satisfaction in full of all Obligations accrued pursuant to the Galaxy Trading Agreement, Guarantor may terminate the Galaxy Trading Agreement, whereupon this Guaranty shall be deemed terminated with respect to the Obligations of Galaxy Cayman by the parties hereto, and shall cease to have any force or effect with respect thereto. Any future Obligations created by the Obligor after the termination of the Guaranty with respect to the Obligor shall not be covered by this Guaranty.

16 Guaranty Term. This Guaranty shall be effective until termination pursuant to Section 15 herein.

17 Entire Agreement; Amendments; Headings; Effectiveness. This Guaranty constitutes the sole and entire agreement of Guarantor and Beneficiary with respect to the subject matter hereof and supersedes all previous agreements or understandings, oral or written, with respect to such subject matter.
